Course description

Skeiðsnummar Course Number	2489.16
Heiti Title	Evnisrættað synopsis á master-læru (søga, sosialvísindi & samfelagsplanlegging, politikkur og umsiting). Theoretical synopsis for master's courses (history, social sciences & planning and politics & administration).
ECTS	10
Fortreytir Prerequisite(s)	Innskriva til Master læru ella tilsvareandi Enrolment in master's course or equivalent.
Stig	Master
Endamál Objective	Endamálið er, at tey lesandi, við støði í teirra individuelt valda evnisøki á masterlæruni, sjálvstøðugt evna at lýsa eina fakliga breidd innan eitt úrvalt evnisøki, umframt at fyrihalda seg kritiskt-refleksívt til útvaldar problematikkir innan hetta sama evnisøki. Synopsisan hevur eisini til endamáls at víðka uppnáddar teoretiskar og metodiskar førleikar hjá tí lesandi frá øðrum lestrarstaði, og eigur tí vanliga at liggja sum endi á øðrum semestri. Undantak herfrá skal góðkennast av útbúgvingarleiðara. The objective is to enable the students, based on their individually chosen field of study in the master's course, to independently portray an academic range within a selected field of study in addition to approach selected issues within this same field of study with critical reflection.

	The purpose of the synopsis is also to broaden the acquired theoretical and methodical competence of visiting students, and therefore it usually ought to conclude the second semester. Exceptions to this must be approved by the programme director
Innihald Content	Vitan um: ➤ Úrvalt evnisøki innan eins vísindaðaki (søgu, sosialvísindi og samfelagsplanlegging ella politikki og umsiting), ið verður lýst í einum søguligum og konseptuelum sjónarhorni. ➤ Teoretiskar og/ella praktiskar avbjóðingar innan valda evnisøkið. ➤ Úr einum kritiskt-refleksivum sjónarhorni viðgerða úrvaldar problematikkir og praktisku avleiðingar teirra. Knowledge about: ➤ Field of study chosen from similar research fields (history, social sciences and societal planning or politics and administration), which is portrayed from a historical and conceptual point of view. ➤ Theoretical and/or practical challenges within the chosen field of study. ➤ Examining selected issues and their practical consequences from a critical-reflective point of view.
Læru og undirvísingarhættir Teaching Methods	Vegleiðing og seminarvirksemi í at skriva synopsis. Guidance and seminar work on writing a synopsis.
Læru-úrtøka Learning Outcome	➤ Identifisera og lýsa eitt vísindaligt evnisøki og tess kjarnuhugtøk og viðgerða hesa(r) kritiskt-refleksivt. ➤ Hegni at taka fram úrvaldar problematikkir, viðgera hesar serstakt í mun til serliga evnisøkið, harundir teirra praktisku og etisku konsekvensir. ➤ Formidla akademiskt og samanhagandi úrvalt evnisøki og teir úrvaldu problematikkir í synopsisformi. ➤ Identifying and describing a scientific field of study and its core concepts and to examine these with critical reflection.

	➤ Aptitude in pointing out selected issues and to examine these especially in relation to the particular field of study including their practical and ethical consequences. ➤ To convey academically and coherently selected fields of study and their selected issues via the medium of synopsis.
Próvtøkuháttur Assessment Method	Meting við grundarlagi í synopsis. Assessment based on the synopsis.
Próvdøming Examination	Uttanhýsis External
Próvtalsstigi Marking Scale	7-tals stigin 7-point
Lestrarlisti Bibliography	Litteraturlisti til synopsis er galdandi pensum, vegleiðandi 5-600 síður, góðkennast av útbúgvingarleiðara. The bibliography for the synopsis is the reading list, suggested 5-600 pages, must be approved by the programme director.
Ábyrgd Contact	Útbúgvingarleiðarin The Program Director
